Continuation of Substance of Interview including description of the general nature of what was discussed: A telephone call was made to applicant to see if claims 8-26 drawn to a non elected claim can be cancelled because claim 1 was found allowable. Applicant asked if all the limitations of claim 1 were placed into independent claims 8, 15, and 22, could the claims be rejoined. As this is acceptable, the applicant stated that would fax the amended claims as soon as possible, so they could be entered as an examiners amendment and the application placed in condition for allowance.
